

## Extreme Village Makeover II

**WHAT:** Over the course of just **seven days**, 142 of Give Kids The World Village's 166 wish family residential villas will be completely renovated. Designed to enhance the experience enjoyed by the critically ill children and their families who stay at the Village during weeklong, cost-free wish vacations, the project is being spearheaded by Give Kids The World Director of Facilities Resources Michael Bausman. Contact: MichaelB@gktw.org

**WHEN:** February 20-27, 2022

**DETAILS:** The scope of work includes:

- Empty 142 villas of furniture, fixtures, electronics and small wares at the same time.
- Remove and install new carpeting in 284 bedrooms.
- Repaint 142 villas with new color schemes.
- Re-install all new furniture (80 semi-trailer loads) in just two days.
- Refinish cabinetry and bath tubs.
- Install new wall-mounted Innova beds.
- Re-install all electronics.
- Clean and set up all villas for families.

**PARTNERS:** This project is being made possible by the generosity of the following partners:
